

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Approving Revisions to the Functional Classification System Map
MEETING DATE: August 3, 2011
PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt resolution approving revisions to the functional classification system map.

BACKGROUND INFORMATION: The Federal Highway Administration (FHWA) identifies functional classification as a key element in planning highway and roadway systems, determining jurisdictional responsibility, and developing fiscal planning. The City of Lodi is responsible for periodically updating the map.

The functional classification system map includes the urban city boundaries, local streets, and streets functionally classified as urban principal arterial, minor arterial, and collector. The designation and classification of the streets are based on the guidelines established by FHWA. The roadways are grouped into various classifications based on traffic characteristics such as vehicle speeds, uninterrupted distance, and land-access control.

When available, federal funds are used on functional classified roadways. In addition, speed limits are set on streets designated with functional classifications and established by the Engineering and Traffic Survey for radar enforcement, in accordance with the California Vehicle Code.

As shown on Exhibit A, staff recommends adding Turner Road east of Cluff Avenue, Guild Avenue, and Reynolds Ranch Parkway to the functional classification map. These street segments have been annexed into the City since the previous functional classification update in 1999.

Following Council approval of the updated map, City staff will forward the recommended changes to the Caltrans District 10 coordinator for approval. The Caltrans District 10 coordinator and San Joaquin Council of Government will provide concurrence letters to Caltrans Headquarters, and then, Caltrans Headquarters will present the proposed changes to FHWA for approval.

FISCAL IMPACT: Roadways must be functionally classified to utilize federal funds.

FUNDING AVAILABLE: Not applicable.

F. Wally Sandelin
 Public Works Director

SUBJECT: Adopt Resolution Approving Revisions to the Functional Classification
System Map

Enclosed is a copy of background information on an item on the City Council agenda of Wednesday, August 3, 2011. The meeting will be held at 7 p.m. in the City Council Chamber, Carnegie Forum, 305 West Pine Street.

This item is on the consent calendar and is usually not discussed unless a Council Member requests discussion. The public is given an opportunity to address items on the consent calendar at the appropriate time.

If you wish to write to the City Council, please address your letter to City Council, City of Lodi, P. O. Box 3006, Lodi, California, 95241-1910. Be sure to allow time for the mail. Or, you may hand-deliver the letter to City Hall, 221 West Pine Street.

If you wish to address the Council at the Council Meeting, be sure to fill out a speaker's card (available at the Carnegie Forum immediately prior to the start of the meeting) and give it to the City Clerk. If you have any questions about communicating with the Council, please contact Randi Johl, City Clerk, at (209) 333-6702.

If you have any questions about the item itself, please call Paula Fernandez, Transportation Manager/Senior Traffic Engineer, at (209) 333-6800, extension 2667.
